

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

CLASSIFIED SPELLING.

A

SIMPLE ARRANGEMENT OF WORDS

FOR

BEGINNERS,

AND WELL ADAPTED FOR

SPELLING BY DICTATION.

ALL OBSOLETE WORDS ARE OMITTED, AS WELL AS SUCH NARROW
TECHNICALITIES AS ARE USUALLY CONFINED TO SPECIAL TRADES
AND PROFESSIONS.

INTENDED AS

A DICTIONARY

TO FACILITATE THE ACQUISITION OF ORTHOGRAPHY MORE UPON
THE MECHANICAL, THAN THE INTELLECTUAL, PRINCIPLE.

BY

J. BROWN,

PRINCIPAL OF NEWINGTON HOUSE SCHOOL, ISLINGTON, N.; AND AUTHOR
OF "UNIQUE COPY SLIPS" CONSISTING OF TWO THOUSAND FACTS.

LONDON:

T. J. ALLMAN, 463, OXFORD STREET.

1868.

DEDICATED
TO
THE SCHOLASTIC PROFESSION.

LADIES AND GENTLEMEN,

To you who occupy the highest place among the world's workers for the good of our common humanity—to you who hold the golden keys which open up the highways of knowledge—to you who possess those moral and intellectual levers which alone can elevate the head and the heart to that excellence so desirable in all—to you who mould the mind and fashion the thoughts of the rising generation—to you I venture to dedicate this humble effort to simplify that which has long been a perplexing task to the pupil, and an endless toil to the teacher.

I have the honour to be,

LADIES AND GENTLEMEN,

A Fellow-Worker,

J. BROWN.

Newington House School,

Islington, N.

October, 1867.

PREFACE.

THE Author, who has had twenty years' experience as a schoolmaster, begs to submit this little effort to simplify the acquisition of a knowledge of spelling to the judgment of practical teachers only.

Despite the progress education has made in the last quarter of a century, it is painful to acknowledge that proficiency in orthography is still a rare accomplishment. Where lies the fault? Is it not to be found in that wholesale migration from the former mechanical into the present intellectual methods, instead of judiciously cultivating both?

The Author's experience is, that children, when young, succeed sooner in the mechanical than in the intellectual appliances of the mind; therefore such a work as the present is more suitable to them than those intellectual spelling-books which contain roots, derivatives, meanings, explanatory notes, and orthographical rules, in which—to make due progress—some mechanical proficiency is required.

The fallacy that thorough spelling can be taught from the ordinary school reading-book is evident from the fact, that such a book comprises but a small portion of the whole language. The same may be said of

spelling-books in general, that they also are but partial compilations of the language.

To make children good "spellers" is no easy task, as all engaged in tuition can verify : the plan of this compilation was therefore undertaken in order to assist pupils in becoming more proficient in orthography by a simple classification of the most useful words in the English language.

The first part comprises an easy and attractive arrangement for young beginners ; words of like termination or of similar construction being given—a plan which the Author has adopted for many years, and proved its utility by its unvarying success in creating a fondness for orthography which is most desirable in a pupil.

The second part, commencing with dissyllables, comprises, as far as the plan will admit, an alphabetical arrangement of words, and gives the verbal and other parts of the same word in their natural order ; thus forming a dictionary, in which all obsolete words are omitted, as also all technical terms that are seldom used.

As the repetition of words, ideas, or sounds, is an invaluable auxiliary to learning, such repetition has been here employed, in order the more effectually to make indelible impressions on the memory of the learner. Repetition may be objected to on account of its monotony ; but in the present instance the monotony becomes rather agreeable than otherwise ; such, for example, is the word *ascend*—after which, in their proper places among trisyllables are, *ascended*, *ascending*,

ascendant, and *ascension*. So with *separate* and its various forms or derivatives, *separated*, *separating*, *separation*, *separable*, *separably*, and *separately*. According to this plan it is almost impossible to spell *separate* *seperate*, as too many tolerable scholars do. Now the roots *ascend* and *separate* must be better impressed on the memory than if they stood alone, as the pupil has the advantage of learning them *five* and *seven* times respectively instead of *once*; and that with the still further advantage of acquiring at each repetition an additional word.

This and the classification adopted in the former part of the work are the principal features upon which rests any little merit that may attach to its compilation.

BROWN'S CLASSIFIED SPELLING.

Words of Two Letters.

elucidated	emergencies	endeavoured	epidemic
elucidating	emigrated	endeavouring	epidemical
elucidation	emigrating	enervated	epidermis
elysian	emigration	enervating	epigrammatic
elysium	emissary	enfeeblement	epigrammatical
emaciate	emissaries	enfranchised	epilepsy
emaciated	emolition	enfranchising	epileptic
emaciating	emolument	enfranchise-	epileptical
emaciation	emphatical	ment	epiphany
emanated	emphatically	engendered	episcopacy
emanating	empirical	engendering	episcopal
emanation	empiricism	engineering	episodical
emancipate	empoisoned	enigmatic	epistolary
emancipated	empoisoning	enigmatical	epitome
emancipating	emporium	enigmatically	epitomise
emancipation	empowered	enlightened	equability
emasculate	empowering	enlightening	equalized
emasculated	empyrean	enlightenment	equalizing
emasculating	empyrean	enlivened	equalization
emasculating	empyreum	enlivening	equanimity
embarkation	emulated	enormity	equatorial
embarrassed	emulating	enormously	equestrian
embarrassing	emulation	enraptured	equidistant
embarrassment	emulative	enrapturing	equilateral
embellished	enamelled	entablature	equilibrium
embellishing	enamelling	entanglement	equinoctial
embellishment	enamoured	enterprising	equinoxes
embezzled	enamouring	entertained	equitable
embezzling	encomium	entertaining	equitably
embezzlement	encompassed	entertainment	equivalent

equivocate	evangelist	excommunicate	exonerating
equivocated	evangelize	excommuni-	exoneration
equivocating	evangelized	cated	exorbitance
equivocation	evangelizing	excommuni-	exorbitant
eradicate	evangelization	cating	exorbitantly
eradicated	evaporate	excommuni-	exordium
eradicating	evaporated	cation	expatiate
eradication	evaporating	excoriate	expatiated
erroneous	evaporation	excoriated	expatiating
erroneously	eventual	excoriation	expatiation
erroneousness	eventually	excruciating	expatriated
erudition	eventuate	excruciation	expatriation
escaladed	evolution	exculpated	expectorate
escalading	euthanasia	exculpating	expectorated
especially	exaggerate	exculpation	expectorating
essentially	exaggerated	execrable	expectoration
established	exaggerating	execrably	expediency
establishing	exaggeration	executed	expediently
establishment	exaltation	executing	expedited
estimable	examination	execution	expediting
estimably	examined	executioner	expedition
estimated	examining	executive	expeditious
estimating	examiner	executively	expenditure
estimation	examine	executor	experience
estuary	exasperate	executrix	experienced
estuaries	exasperated	exemplify	experiencing
eternally	exasperating	exemplified	experiment
eternity	exasperatingly	exemplifying	experimental
ethereal	exasperation	exemplification	experimentally
etherealize	excavated	exercised	experimented
etherealized	excavating	exercises	experimenting
etherealizing	excavation	exercising	experimenter
ethereally	excavator	exhalation	expiated
etymology	exceedingly	exhibited	expiating
etymological	excellency	exhibiting	expiation
etymologically	excellently	exhibition	expiration
evacuate	exceptional	exhibitor	explanation
evacuated	exceptionally	exhilarate	explanative
evacuating	exceptionable	exhilarated	explicitly
evacuation	exciseable	exhilarating	exploration
evanescence	exclamation	exhilaration	exportation
evanescent	exclamatory	exhortation	exposition
evangelical	exclusively	exonerate	expositor
evangelically	exclusiveness	exonerated	expostulate

expostulation
 expostulated
 expostulating

 extirpating
 extirpation
 extraneous
 extraneously
 extraneousness
 extraordinary
 extraordinarily
 extravagance
 extravagancy
 extravagant
 extravagantly
 extremity
 extremities
 extricated
 extricating
 extrication
 exuberance
 exuberant
 exuberantly
 exultation

F.

Fabrication
 fabricated
 fabricating
 fabulously
 facetiously
 facetiousness
 facility
 facilities
 facilitate
 facilitated
 facilitating
 fallaciousness
 falsified
 falsifying
 falsification
 falteringly
 familiarly
 familiarity
 familiarize
 familiarized
 familiarizing
 fanatical
 fanatically
 fanaticism
 fantastical
 fantastically
 farinaceous
 farraginous
 fascinated
 fascinating
 fascination
 fashionable
 fashionably
 fastidious
 fastidiously
 fatality
 fathomable
 favorable
 favorably
 fecundity
 federally
 federalist

federation
 federative
 federatively
 felicitate
 felicitous
 felicity
 felicitations
 felo-de-se
 feodary
 fermentation
 ferruginous
 fertility
 fertilize
 fertilizing

W. SMITH'S GRADUATED COPY-BOOKS.

Just Published,

W SMITH'S GRADUATED COPY-BOOKS,

A SIMPLE, EASY, AND PRACTICAL METHOD OF

TEACHING WRITING

IN A RAPID AND SHORT PERIOD.

POST SIZE, printed on extra thick cream wove post,
published at 6d. each.

- | No. | No. |
|-------------------------------------|---------------------------------|
| 1. First Lessons. | 6. Large Hand and Text. |
| 2. Letters of the Alphabet. | 7. Text and Round. |
| 3. Words of 1, 2, 3, and 4 Letters. | 7½. Double Small (short Words). |
| 4. Round and Text (short Words). | 8. Round and Double Small. |
| 5. Capitals and Figures. | 9. Small Hand. |
| 5½. Large and Text (short Words). | 10. Three Hands. |
| | 11. Commercial Small Hand. |
| | 12. Ladies' Angular (French). |
| | 13. Ladies Angular English. |

Nos. 1 to 8 are printed in Faint Ink, and the System consists in the Pupil Writing over the Copy, and then carefully imitating it. Nos. 9 to 13 are printed in Black Ink and serve as ordinary Copies.

OBLONG FOOLSCAP SIZE, printed on cream wove paper,
published at 3d. each.
